I encourage the Australian Government to legislate to permanently prohibit the practice of SHORT SELLING. I have written to the Prime Minister urging that the government do this for very fundamental reasons. I contend that SHORT SELLING can:

- * Destabilize the market
- * Damage companies' market capitalization
- * Jeopardize the interest of genuine investors
- * Adversely affect Superannuation Funds
- * Encourage reckless attempts at profiteering

INSIDER TRADING is considered bad practice and is illegal.
SHORT SELLING is the other damaging horn of the beast!!!

Prohibit SHORT SELLING!
